The displayed assortment is not entirely available for all products within the product groups.
For details on available colors and effects, please see the product matrix for the respective item.

Classic Colors: This color range offers a wide choice of traditional Swarovski crystal colors.
Exclusive Colors: This color range is offered exclusively by Swarovski.

The standard assortment of colors and effects may vary according to the product group.
Slight changes in shades are unavoidable. Colors may vary according to cut and shape.
The plating resistance of effects is tested according to Swarovski's plating guidelines (SWAROVSKI.COM/PROFESSIONAL). Customers are advised to carry out their own tests if customers' plating parameters diverge from Swarovski plating guidelines.

* Colors are only available as special productions.
** Crystals are not resistant to plating and similar processing.
